

BAKING FROZEN UNBAKED PRODUCTS

1. Preheat oven to 240°C
2. Make sure the product is completely thawed before heating
For best results, tray up and leave overnight in the chiller to thaw out.
3. Brush egg wash (1 part milk, 2 parts egg) over the product.
4. Place in oven and bake at 240°C for approx. 15 minutes or until the top of the product is golden brown

RE-HEATING BAKED PRODUCTS

1. Preheat oven to 180°C
2. Place trayed up products in hot oven for approx. 15 -20 minutes
3. Recommended holding and serving core temperature 70°C

PIE WARMERS

1. Preheat product in oven as above prior to placement in warmer.
2. Preheat pie warmer prior to placement of product.
3. Arrange no more than 8 pies, 6 pastries or 12 sausage rolls per shelf, leaving lower shelf empty.
4. Recommended holding and serving core temperature 70°C
5. Remove from lower shelf first. Check product for excessive drying.
6. Discard unsold product at end of trade or after 4 hours in the warmer.

HANDLING AND STORAGE INSTRUCTIONS

Frozen products should be kept frozen at minus 18°C. Fresh products should be kept refrigerated at 5°C or less until ready to serve.

Some products are not suitable for freezing – please ask our customer service team, should you require more information.

PLEASE NOTE: This is a general guideline only, times & temperatures may vary according to oven & pie warmers brands.
